From: Pamela Choi [pamela04@gmail.com]
To: Grand Cheston Hotel [reservations@cheston.com]
Subject: Room Reservations

I need a single room with a queen-sized bed for five nights, from July 20 until July 24. Do you have a room available then? I will be attending a conference of the Trade Center and I understand that your hotel is just one block from there. Please confirm this for me as I don't want to have to walk far or deal with cabs. Also, do you have a pool and a gym? Is there a restaurant located in or near the hotel?
 Thank you for your help.

Subject: Re: Reservations for a Business Trip

We do have the type of room that you want. It costs \$150 per night. However, for the first night of your stay only, I will have to give you a king-sized bed as there are no queens available that night. It costs an extra \$25. I hope this will suit you. Starting on July 21, you can have the type of room you requested. I am pleased to confirm that our hotel is located very close to the Trade Center, just one block further than you thought. It is a very pleasant walk through a park to the Center, and I am sure you will enjoy it. We do have a pool, but unfortunately it is currently closed for repairs. There is a full-service restaurant located in the hotel. Hotel guests are
